Highlights

- ✓ Operator protection by fixed backrest
- ✓ The driver can lean back on the backrest, allowing them to work in a more relaxed position
- ✓ When the operator leaves the platform, the truck automatically changes to stand-by mode
- ✓ Power steering as a standard feature
- ✓ Automatic deceleration when cornering proportional to the steering angle
- ✓ Electromagnetic brakes preventing unsupervised rolling of the truck, even on ramps
- ✓ Side battery removal
- ✓ Powerful and maintenance free AC drive motor with 2.5 kW
