Clean ahead

Scrubmaster B3
*Flexible walk-behind
scrubber-drier*

For use on smaller areas

Scrubmaster B3

A practical, easy-to-transport scrubber-drier designed to efficiently clean small and hard-to-reach areas.

Storage and transport

The light-weight design and collapsable tie bar save storage space and make the machine easy to transport, it even fits into the boot of your car.

Efficient cleaning

The B3 offers 3 litres of solution tank capacity but a cleaning capacity of 100sqm thanks to its "eco" function

Compact design

The compact design provides high flexibility and a good view of the area you are cleaning, even when working in narrow and cramped areas.

Easy-to-read symbols enable intuitive operation by the user. A removable cover allows easy access and cleaning of the recovery tank.
